A. Introductory Comments

Based on the above amendments and remarks to follow, reconsideration of this application is respectfully requested.

This amendment is responsive to the office action dated September 30, 2005. It is requested that Deposit Account No.502158 be charged for any fee required for entry of this amendment, although it is submitted that no fee is required for this amendment.

In the office action, claims 1-4, 7, 8, 11, 15, 16, 18, 20-22, 24, 25 and 27-34 were rejected under 35 U.S.C. 112, second paragraph as use of a trademark/tradename (JAVA) in the claims renders the scope of the claims as uncertain.

Applicants gratefully acknowledge the notification of allowable subject matter, in view of which, claims 1-4, 7, 8, 11, 15, 16, 18, 20-22, 24, 25 and 27-34 have been amended to remove the word 'Java', wherever the said word was used to identify/describe a programming language, in order to comply with the requirements of 35 U.S.C. 112, second paragraph.

In response to the rejections the claims have been amended as set forth in the next section.
